

into the bill the words, "the United States of America", which was stricken according to Emory Burnett. This is what has to be done. I move for the adoption of this amendment.

SPEAKER: The question is shall the amendment as explained by Senator Barnett be adopted. All those in favor say aye.

CLERK: No, no. No.

SPEAKER: Have to vote. I'm sorry. All those in favor vote aye. All those opposed vote no. We have to vote on Senator Barnett's amendment here on Select File. You are voting on Senator Barnett's motion to reinsert some language in LB 102 on Select File. Have you all voted? Thank you. The clerk will record.

CLERK: 26 ayes, 0 nays, Mr. President, on the motion to adopt.

SPEAKER: The motion carries. The amendment is adopted. Now, Senator Barnett.

SENATOR BARNETT: I would move that LB 102 be advanced to E & R engrossing as amended.

SPEAKER: The motion now is to readvance LB 102 as amended. All those in favor of the motion, please say aye. Those opposed, say no. So ordered. LB 102 is advanced. Now, seated in the north balcony is the Girl Scout troop that I promised you would be visiting this morning. Their co-leaders are Mrs. Overton and Mrs. Marsh and we are delighted that you have chosen this morning to come and visit the Unicameral Legislature. We understand this is a Scouting achievement that you have to fulfill and we are very pleased that you've taken this interest in state government. The chair, also, I think, would express for the body that we know a considerable amount of effort goes into getting you excused from school, but I, also, would observe that this sure beats going to school, doesn't it, today. Very good. Do we have other business on the desk?

CLERK: Mr. President, Senator Marvel asks to be excused the rest of the morning.

SPEAKER: Are there objections to Senator Marvel's absence. Hearing none. So ordered.

CLERK: That's all, Mr. President.

SPEAKER: No other motions. No other business. Ready for the consideration of bills on General File. The assistant clerk has placed a listing of noncontroversial bills, so it does appear to the chair that we will have to take up 243 first which was bracketed for today and see what disposition should be made of that. Can we get a condition report on LB 243 from the clerk.

CLERK: Mr. President, LB 243 was considered...

SPEAKER: Senator Warner, do you wish to be recognized?

SENATOR WARNER: Am I correct that you are planning to take noncontroversial bills, right?

SPEAKER: Yes, sir.

CLERK: Except this bill was bracketed for today.

SENATOR WARNER: Right, Well, I had this bracketed for ten days, but had trouble getting all the General File. Rather than getting into an argument, why don't we just pass it over and take it up Monday, by reason it was controversial the other day, I presume it still is.

SPEAKER: You are asking to pass over 243 until Monday. Are
